**Tuesday - 3 July 1963**

*Surgeon*

1. [ ] Talked with [ ] at length and in detail concerning our early retirement bill. Obviously he has been studying the specific provisions and since he is unfamiliar with the Foreign Service retirement system he asked a number of questions which I attempted to answer. In addition, he requested that we annotate a copy of the bill to indicate where the wording was a direct lift from the Foreign Service Act and in other parts to indicate source of language and whether the language, if different, was more liberal or more restricted. This will be provided him.

2. [ ] Talked with [ ] House Appropriations Committee staff, concerning our budget situation. See Memorandum for the Record.

4. [ ] Left with [ ] the letter to [ ] from the DCI dated 1 July 1963 suggesting a meeting on our budget and also mentioning of the early retirement bill. Also left with [ ] a copy of our prepared statement of justification for the early retirement bill.
